

NORA Marketplace

Let businesses find you! Upgrade your NORA Membership to the Plus program and start generating even more leads through this affordable marketing program. NORA has purchased over two dozen domain names that will lead your customers and trading partners directly to you.

No extra work on your part! NORA has made this marketing program so simple that all you need to do is complete this order form. We'll create a professionally designed listing based on your membership information and your current website. Your logo will be prominently displayed and the listing will contain contact information, product/service information, and a link back to your website. There's no additional work on your part – NORA does it all for you! And for those of you that would prefer to customize information, just contact NORA and we'll work with you to create the listing that best represents your company.

Check it out! Visit www.noranews.org/noramarketplace. Current listings are already generating leads. Join in their success!
